Megan's begging for a good shagging... and thinks we might be the ones to give it to her. Being consummate professionals, we feel we have to turn her down rather than on, but her attentions simply swivel on to our readership. "What sort of dirty bastard goes into a newsagent and buys a copy of me with my legs apart, not caring what the girl behind the till thinks? The sort of dirty bastard I want to get between my legs, that's who!"

MEGAN

Bugsy Malone was one of our favourite films as a kid, but the splurge gun we own now is certainly not fit for cinematic consumption. Gangster's moll Ria has always been attracted to bad boys and their weapons, and even more so to those who want to spray her delicious body with cream – think a St Valentine's Day Massacre of spunk. "Oooh, I am!" she pipes.

Seeking hands-on experience

I am a very generous person and I love to share things.

My double dong has made me some wonderful new friends and it is definitely my favourite dildo.

It is 18 inches long and six inches round, so it is strictly for the pussy only. And, as you can see, it is black.

My husband Mark and I recently discovered the fetish scene and went to a club in London for some hands-on experience.

We weren't sure what it was going to be like, so we dressed as boldly as we dared in the hope of making a good impression.

I wore a basque with my breasts out, a short, split PVC mini skirt, a skimpy black G-string and fishnet stockings.

I also took my trusty dildo, which I call Alien. I call it that because once you get it going it feels like it is trying to burst out of your stomach!

We had a few drinks and people watched for a while, then went for a wander round

with hot runny cum.

She kissed her way up my chest and started snogging me, while slowly sliding her

"She slipped two fingers under my G-string and into my madly spasming cunt"

the dungeon area. We were watching two ladies pleasuring each other when one turned to us.

She eyed me up and down, then leaned over and started sucking my nipples. I couldn't believe it. I was so excited I instantly soaked my knickers

hand down my body. She slipped two fingers under my G-string.

They went straight into my madly spasming cunt. Meanwhile her friend moved behind me and began stoking me as she ground up against my bum.

Porno of the Month

FEMALE TUITION!

No-one really wants to see a big hairy pair of balls bouncing up and down on their favourite porn star's chin, do they? Or listen to incoherent, arrogant alpha-male posturing? Unless of course it's your own. We're markedly put off by the gurning of porn star Marco Banderas and the belly button-bound ejaculations of Brit Johnny Rebel – however we do generally find that we like a big cock (in both senses) in our pornos. *Dani Daniels Girl Perversions* from Harmony has made us change our minds a bit. No, there's no cock, and no great gouts of spunk that we like to see splattered all over our favourite lady-parts, but there's enough intense one-on-ones and monster strap-ons to make even Julia Jones forget about cock for an hour or two!

Eventually Jane, the first lady, let me catch my breath and asked me if I was alone. I introduced Mark and said that I had a special friend with me too.

I

thought I was being really clever and would get a reaction as I got Alien out of the bag. But it was me who got the shock.

Rachel cupped both of my breasts and kissed my neck. Jane simply took hold of Alien, knelt in front of me and slid him straight up my sopping snatch.

I was so worked up that I orgasmed as soon as the dildo entered me, but they gave me no respite. Rachel took over, thrashing Alien in and out of me.

Jane began sucking my tits and Mark, not to be left out, brought some guy over so they could play with my

breasts.

It was one long orgasm until I eventually had to beg mercy. We all got a standing ovation from quite a large crowd that I hadn't noticed in the excitement.

But I was too worn out to care by then, so simply did as much of a curtsy as my legs would allow.

I got another good seeing-to from Mark back at the hotel too!!

"I actually had a horrible time at school so I don't know why anyone would want to relive it!" muses Roxy, wrinkling her charming little nose. "Euch, the smell of chalk dust. And getting the board rubber chucked at me. And I used to get teased for my boobs which grew quite early. No-one's teasing now are they!" Er, we beg to differ, Roxy!

APRIL

January is the cruellest month, not April, as certain clever clogs poets would have us believe. So instead of glumly trudging towards the treadmill and the kale smoothies after a season of indulgence, we're hitting the beer, the fags and a bit of what we fancy. "Numpties detox, and I retox," grins April. "All the plonkers go to the gym in January, but I'm down the pub where all the fun people are, without their plonker wives! It's great fun having a workout with them!"

ELLA

Like the penguin, a little graceless on land, a pair of big knockers really comes into its own in the water. Soaped, washed and oiled, Ella's slippery F-cups are just crying out for a glorious frothy tit wank. David Attenborough, if you're reading (we know you're a fan) – here's your next dick-umentary!

Rent is so expensive down south now that a girl simply has to muck in with her mates. "It's either share a tiny attic room like this and split the rent or shag the landlord, and he's horrible," confesses redhead Fawna. "We'd much rather all shag each other and save a fortune!"

Big poke in the Big Smoke

"She knew exactly where to touch me and before I knew it I was cumming – hard"

as the cast came out for an encore.

After the show we wanted the evening to continue, so Paul suggested we go to a lap-dancing club he knew. I jumped at the offer.

I felt a little self-conscious when I first went in, but I soon relaxed and started enjoying the occasion.

We got chatting to a pretty girl in a skimpy bikini. She was a blonde with a really cute face, large firm natural-looking

tits and lovely long legs.

She introduced herself as Victoria and asked if we'd like a dance. Paul didn't need asking twice and we followed her to a private room.

She slowly peeled off the bikini as she gyrated to the music. It took all my willpower not to reach out and touch those firm tits she was jiggling in front of me.

At the end of the night Victoria approached us again, and Paul shocked me by asking her if she'd give

Recently my husband Paul took me for a night out in London for a treat. He'd booked a nice restaurant, tickets to a show and a swanky hotel room.

I spent a long time getting ready before we went out, feeling horny and determined to have a sexy night. I wore

a really short skirt, revealing top and high-heels.

I stroked Paul's cock all through the show and he fingered me slowly. I kept my coat folded over my lap so no one could see, and I came

us a private dance back at our hotel.

She shocked me more by smiling and asking Paul to write down the hotel name and room number. Paul did so and handed it to her with a £10 note.

We got back to the hotel at

about 2am.

Paul couldn't keep his eyes off me and it wasn't long before he had me sitting on the bed as he licked my wet cunt.

We had kind of given up on Victoria, but then there was a knock on the door. Paul put a towel on and answered. There was Victoria smiling.

She came in and saw me hiding under the sheets. She told me to relax, saying if she was going to get naked then I had to too.

We sorted the money out, and she explained she'd never done this before. But as she liked us both, and had just split with her boyfriend, she was up for it.

We had some music playing on the TV and Victoria told us we could have our 'special' dance now. With Paul and I naked on the bed, she started to undress.

Her dress came off, followed by her bra and knickers.

This time as she danced close to me I reached out and touched her nipple.

She smiled and bent forward to kiss me full on the lips. Paul had a big smile and a big hard-on as he slowly wanked himself off.

Then she got on the bed and draped a leg over each of us. We both stroked her thighs and moved our hands to her shaven pussy.

We both inserted a finger and she closed her eyes and moaned. Her hand found my pussy and she gently rubbed it.

She knew exactly where to touch and before I knew it I was cumming, and it was the best climax of my life.

Then she went down on Paul, slowly sucking his cock. When he came, Victoria took all of his spunk in her mouth and looked like she enjoyed every last drop. What memories!

It was typically packed on the tube one morning at rush hour, and many passengers were forced to stand. As the train approached the city centre it became even more cramped, pushing people up against each other.

One woman, who was particularly squashed, snapped to the man immediately behind her, "If you don't stop poking me with your erection, I'm going to punch it!" The guy looked embarrassed. "I don't know what you're talking about! That's my wallet - I've just been paid at work!"

The woman snorted, "Oh really? Well, that must be one hell of a job, because that's the fourth raise you've had in the last ten minutes!"

A lad asks his dad: "Daddy, how much does it cost to get married?"
His dad thinks for a second and replies: "I don't know, son, I'm still paying for it."

A cute little girl with blonde ringlets and a lisp visits to her local pet shop and asks, "**Excuthe me, mithter, do you have any widdle wabbith in thttock, pleathe?**" The shopkeeper's heart melts and he kneels down so that he's on her level, and says, "**We sure do, honey. Now, do you want a fuwwy widdle bwack wabbit or a cute, thoft bwown wabby, like that one in the cage?**" The little girl frowns at him, leans forward so she's in his lowered face, and snarls, "**Thowwy, but I don't fink my royal python weally giveth a thit.**"

TRUE CONFI

TRUE CONFI

THERE'S A HEN NIGHT COCK FIGHT AT STELLA'S PHWOAR-STAR HOTEL

My wife Stella and I run a hotel that caters for swingers, and business has boomed since we began providing entertainment for hen nights. We have a list of guys – mainly strippers – who have the stamina and physique to pleasure a room full of drunken nymphos. This Saturday night's 'top cock', Tommy, is a prime example: he possesses a massive prick that must be eleven inches long and he can keep an erection for hours.

Tommy went down very well during the pre-wedding bash Stella had organised for a crowd of posh horsey girls from Newcastle. They all got completely lashed while Tommy slunk around the bar – with ten horny, drunk women gagging for some action, he was in his element and strutted amongst them, nuzzling into each in turn as they removed his jacket, button by button, gradually revealing his toned chest and well-defined abs.

I continued to serve the drinks as a tall brunette in a sexy black cocktail dress, with one hell of a cleavage, pulled Tommy's face down into her fleshy ravine. He slurped his way between her tits, yanking her top lower until her large breasts spilled out into his eager hands.

Sucking one nipple into his mouth,

Tommy slid his hand up her stockinged leg, beneath the hem of her dress and began to slowly rub her pussy through her knickers. This acted like a starting pistol for the other girls who clustered around the pair, giggling hysterically, fondling Tommy's bare shoulders and brazenly groping between his legs.

I settled back to enjoy the show as Tommy's combat trousers were unceremoniously dragged to the floor and the hen party got their first view of his giant dick. The shrieks of delight that resounded around the bar indicated that the women were very pleased with their fought-after prize.

Tommy positioned himself in the middle of the slaving females and slowly turned, allowing his thick cock to brush obscenely against faces and breasts as they clamoured around to get a close-up view of his wonder gland. Moist

tongues began to flick the purple tip as it passed and the daubs of scarlet lipstick streaking his shaft increased with each rotation as the sex hungry honeys attempted to out-slut each other.

One rather overweight blonde tore off her blouse with wild abandon, knelt on the floor and pulled the huge member into her mouth. I watched as her lips stretched around the bulbous head and she fed its length towards her throat, taking the whole fucking thing until only his balls were visible.

Her mates yelled their approval as the blonde proudly wanked Tommy's prick with her tonsils as another blonde with glasses started to tongue between his bum cheeks. My particular favourite that night, Anna, had discarded her knickers on the carpet and was happily fingering her lovely glistening twat, her black stockinged thighs spread as wide as they'd go.

As Tommy was still pumping the blonde in the gob and had his hands filled with various naked tits, I decided to help the horny hen nighters and slid between Anna's succulent thighs. She smiled her appreciation as my knob pressed against the swollen lips of her gash and gasped as I entered her, slowly slipping my meat into

FSESSIONS

her tight pussy hole. Neither Stella nor I are the jealous kind, of course.

Anyway, I continued to fuck the adorable Anna, kneading her ample tits and sucking on her nipples, while all around me the hen party slipped further into complete and utter debauchery. Tommy was, by now, stuffing that mammoth schlong into a petite redhead. She was writhing in her chair, pressed harder into the upholstery with each thrust of the super-fit Tommy.

After a few minutes he'd pull out of her fanny and move to the next eagerly spread hole for a few deliciously long pokes, leaving a trail of wide-eyed, partially clothed

monitor fixed to the wall. She had obviously zoomed in on the action as the screen was filled with Tommy's throbbing, veined knob pushing between a pair of buttocks.

"She's never going to get that thing in her arse, surely?" My wife was wrong as a good three inches of Tommy's dick disappeared between those trembling bum cheeks. Stella

"THEY LICKED UP PUDDLES OF WARM MAN GOO"

females behind him desperately fiddling with their clits. Surrounded by so much sex, I knew I was going to spunk unless I cooled off a bit and decided to go in search of the missus.

Sometimes I completely forget the CCTV system we had installed – at great expense – but Stella never does. I found her in her swivel chair, her legs spread wide and a black dildo jammed in her gorgeous, shaven slit. One breast was free of her lacy black bra and she was pinching the nipple between her finger and thumb as she stared at the black and white TV

groaned, pushing the dildo deeper inside and gaping her firm, tanned thighs even wider.

Not wanting to be left out, I dragged my dick from my trousers and offered it up beside Stella's mouth. Without flinching, she took it between her lips, tickling the tiny hole with her tongue as I zoomed the camera out until at least five naked women and Tommy were visible. It was difficult to determine whose limbs were whose, so entwined were the sweating bodies on the screen,

but when that huge prick was yanked from Anna's arse and waved above a row of open-mouthed, upturned faces, I knew the money shot was imminent.

As the first jet of jizz shot from Tommy's cock, Stella sucked hard on my dick, indicating her own orgasm was about to tear through her body. The guy had a never-ending supply of spunk, judging by the amount cascading into the wide-open mouths of the giggling girls on screen... The stuff was going everywhere! Dollops dripped from chins onto heaving tits, sticky white rivulets ran slowly down flushed cheeks and hungry tongues licked puddles of still-warm goo off the smeared lipsticked lips of another pouting pal.

"Oh fuck! Aah!" Stella squealed, leaning hard onto the glistening decoy dick as the waves of pleasure finally took her over the edge and she collapsed into her chair, leaving my own cum to spurt all over her heaving breasts, neck and face.

There's no rest for the wicked – this particular party went on until 4.30am and we had another in the next day! There are worse jobs than mine, it's true!

Take a wank on the wild side

Appearing in *Razzle* would make my second fantasy come true. My first fantasy was out of this world!

I'd always fancied a threesome with my boyfriend and another girl because I'd never made love to a woman before.

Anyway, a few weeks ago my

boyfriend and I went for our usual country walk. Every time we go for a nice long walk we always end up having a nice long shag.

Little did I know this was

"I started to dart my tongue round her pussy and squeeze her nice big tits"

going

to be a very special day for me as we went through the little woods that we know so well.

My boyfriend pushed me up against a tree without any warning and began gyrating his body against mine.

He slowly kissed my lips, cheeks and neck. He then put both his hands on my tits, squeezing and teasing my nipples.

He inched a hand down the side of my leg and then up the inside of my thigh until his fingers reached my moist shaven cunt. I was getting very juiced up.

I couldn't wait for his big thick cock to get inside me and I literally tore both his and my clothes off.

Just as we were about to get down to it this dog came out of the woods barking at us. Then a woman appeared chasing her dog. She soon forgot about him when she saw us naked.

She did not seem surprised. In fact, she told us she'd seen us before and was looking for an excuse to come over. "I'm going to be straight," she said, "I want to join in."

Well I jumped at the chance. I looked at my boyfriend and

carry on where she had left off while she sat astride my face. I started to dart my tongue around her pussy and squeeze her big tits.

Her pussy tasted so sweet and her juices flowed like a river.

My boyfriend couldn't wait much longer so he inserted his cock into my wet cunt and started to pump.

As he got faster my tongue worked on this stranger's cunt. She continued to

saw that he was not about to refuse. She wasted no time getting her clothes off and she went for my boyfriend.

After kissing him, she turned to me and my heart was pounding. She laid me on the floor and, climbing on top of me, kissed me on the lips.

My nipples were fully erect and she closed her lips around them in turn. She moved down

“She called over my boyfriend who had an erect cock and was gagging for a fuck”

to my cunt, teasing it with her fingers and sucking it at the same time.

I was about to cum when she stopped. It was frustrating, but she knew what she was doing. She called over my boyfriend who by now had a fully erect cock and was clearly gagging for a fuck.

She told him to

grope my boobs and kiss my boyfriend until we all orgasmed at the same time with a mixture of moans and groans.

What a day! We continued until the evening when she decided she'd better go and find her dog. She said she'd see us the next week, which we will.

I may even write again to tell you what else we get up to. I have lots more fantasies to tell my horny readers about!

STELLA

Stella offers an embarrassment of riches when it comes to cock play. You could slide it between her 32D juggernauts, inch it up her vice-like pussy or the cute pucker between her peachy bum cheeks. But she's happiest when you're fucking her face. "You could say I'm always on the blow!" the 24-year-old grins.

DANI

"Work hard, play hard, they say!" grins Dani devilishly. "I say play hard at work! Especially when you work with a load of pervs like I do. My boss has got the hots for me and lets me do whatever I like. I take long lunches and often disappear down to the warehouse for some athletic sex with workmen. I'm sure I've seen him watching me too!"

Well, wouldn't you invite young Agnes round to play if she was your wife's sexy young workmate? "My husband and I have an arrangement," purrs housewife Carmen (32). "He lets me do what I want – as long as it's with another girl and he can watch. That suits me fine, and by the noises he makes in the corner when Agnes licks my pussy, him too!"

Lucia & Stewie

My wife Lucia is a little slut: she is blatantly sexual and loves to show off her body, buying and wearing provocative clothing, which enhance her already voluptuous figure, and generally behaving like a slag – even in public. Some blokes wouldn't put up with this behaviour, but I really enjoy watching the reactions she gets from men as she wiggles her bum and grinds up to them.

In my line of work, you have to trust your woman, or go insane. I'm a roughneck on an oil rig located well over 100 miles out at sea to the north-east of Aberdeen, and, even with the so-many-days-on/so-many-off rota, given that we live in Newcastle, the time and distances involved mean that

I'm frequently away from home for several weeks at a time. Fortunately, I can bear it. I know that my Lucia loves me – besides which, she enjoys all the extra luxuries that we can afford now, thanks to my job on the rig.

Understanding her need to display her body, we have come to a long-distance-sex type arrangement whereby she poses and performs for our DV camera and sends me copies on CDs, for our mutual gratification – and for a few of my mates on the platform. She really gets off knowing that so many lads are going to be riveted to her performances, lusting after her body, and

aching to fuck her.

Lucia loves gadgets of all kinds, but cameras in particular. We started off with a Polaroid years

ago, and eventually progressed to the DV cam – as well as the webcam for 'quickies'. I enjoy all mediums and love having snaps of her slot to pass around among the boys at break times. In fact, thanks to Lucia I'm probably one of the most popular blokes here – and all the guys do their best to reciprocate by sharing their collections of porn mags and DVDs.

“She poses and performs on film and sends me and my mates the footage”

Lucia loves posing for me on her homemade movies – pouting like a porn queen and performing the most inventive routines. They come naturally to her, the sexy little whore that she is. The last one she sent got me so excited that my cock was raw from stroking. She had just

using the webcam on the home PC, and I have one on my laptop, so we often have a mutual wank online. Lately we've become even

more adventurous and indulged Lucia's passion for exhibitionism, by allowing my best mate Barry to watch her perform live via the webcam. Lucia can see him watching and, if anything gets twice as frothed up!

To be honest, what just started off as a bit of fun to pass the time when I was away has blossomed into a way of life for us. Lucia loves

“She felt her own wetness then tasted herself, sucking her fingers like lollipops”

come home after a workout in at our local gym, and, turning on the camera and aiming it into our little kitchen, she headed straight for the refrigerator. Taking out a bottle of cold mineral water, she gulped it down, allowing some of it to spill over her face and run down her tight, perspiration-soaked leotard.

Sitting down on the sofa and positioning the camera on the coffee table, she almost absentmindedly began to stroke the insides of her legs. Sliding an eager hand inside her clinging tights she felt her own wetness, then, raising her fingers to her mouth, she tasted herself, licking and slurping at her fingers as though they were sticky lollipops.

As she sexily wriggled out of her skin-tight leotard, I could see the glistening sweat beads on her body. Gently stroking the top of her naked breasts and running her hands sensuously over her stomach and arms, she closed her eyes and concentrated on pleasuring herself, her deft fingers pinching her stiffened nipples as her body wriggled.

Getting up from the sofa, she brought the camera into the bedroom, and, positioning it so she could pose in front of the mirror, she stepped out of her sports tights and gazed at her reflection with satisfaction. She touched her nipples, circling them with a fingertip and then pinching them until

they became fully erect. Admiring her reflection, she ran her palms over her ample mounds and squeezed them hard together, smiling in satisfaction as they bounced back into place. Lucia is very proud of her body, and enjoys spending hours examining every delicious crevice.

She pressed her frame against the mirror, crushing her breasts against the pane, her body undulating sensuously as she slithered over the cold surface, sweat-drenched skin clinging to the glass as she ground her pubis against her mirror image. Stepping away, she noticed that some of her vaginal fluids were smeared on the glass and, licking her lips towards the lens salaciously, she knelt, and elaborately tongued the

mirror at the spot where her cunt had been pressed.

Disappearing from view for a few moments, Lucia returned with a large black dildo, a gold vibrator and a bottle of baby oil. Descending slowly onto her hands and knees, her tits hanging down and her bum in the air, she carefully re-positioned herself with her arse towards the camera. Reaching behind her, she squeezed some oil from the bottle, allowing the liquid to run into the crevice between her butt cheeks. Seeming to enjoy the sensation, she reached back and pulled herself apart, showing the rosy ring of her anus to the camera.

Smearing the lubricant into her ring, she massaged the entrance, gradually working her finger inside until it was buried knuckle-deep in her bum hole. Slowly she began to slide it in and out of her oily sphincter, breathing hard as she explored the inside of her rear entrance. Then, removing her finger, she took up the large rubber dildo, and, squatting in front of the mirror, began to alternate rubbing the tip of the toy over her clit and around her

tight anal opening.

Then, to my delight, Lucia did precisely what I had hoped for – and attempted to force the huge phallus into her back passage. She must have bought it since my last trip home, because it was certainly by far and away the largest object I had ever see her insert before; almost twice the size of a normal cock. Plainly realising that she would need more lubrication than usual, Lucia disappeared for another short interval, and this time, when she returned, she had a basting syringe from the kitchen.

Almost unable to believe what I was seeing, I slowed my stroke, staring as she removed the rubber bulb from the top of the plastic pipette. Filling it with baby oil, she replaced the bulb before rubbing more oil into the nozzle, and, resuming her former position by the mirror, she stretched her sphincter with her fingers and carefully inserted it into her arse.

Squeezing the bulb sent a jet of the lubrication up her back passage, and Lucia gasped in surprise at this unusual sensation. Once again, she pushed the dildo into her

sphincter. This time she was determined to succeed and eventually her elastic entrance stretched sufficiently to admit the helmet of the monster into her tight hole.

Lucia smiled back at the camera and began to slowly

than any other display she had filmed. She knows that I love bottom play, and was tailoring her performance to my needs! Lucia pushed her backside closer to the camera, giving me a close look at her stretched ring

“The monstrous rubber dildo emerged from her cunt with a pop”

rotate the dildo. Her arse was very well lubricated, and, groaning with pleasure, she began to push it in deeper, finally completely plugging her hungry hole!

By the look on her face, I could tell that she was enjoying giving this performance more

and the strong muscle gripping the dildo.

Then, looking back into the camera lens, she winked, and, with her legs splayed wide, fanny facing the camera, she picked up the gold vibrator and turned it on. Licking

the top of the vibrating dildo, she sucked it almost tenderly, and, pulling the delicate pink folds of flesh back from her clitoris, placed the vibrator against her love-button.

She kept it there for a while, and, as the camera was trained onto her crotch area I could see her slot getting wetter and beginning to contract. Her arse was still full with the

rubber dildo, and she gasped as she started to plunge the vibrator in and out of her wet cunt.

Lucia fucked herself with the gold vibe until she was close to orgasm, her hips writhing as she thrust it deep into her box. With both holes fully plugged, wave after wave of orgasm engulfed her as her vagina gripped the vibrating toy hard, her anal muscles fairly obviously contracting on the large rubber object.

All this time, I had been stroking my cock along to wonderful visual imagery provided by my sexy wife. Now, however, I began to wank even more urgently, and spunked off incredibly hard into a tissue.

Even as I was spurting, I was transfixed by the sight of Lucia gingerly removing the big rubber dildo from her ring. The monster came out with a pop – one sound I'll never forget!

Barefoot Confidential series

Released by: Kick Ass Pictures
Starring: Lily Carter, Sasha Grey, Daisy Marie, Celeste Star, Alexis Love

BEST BITS: Starting way back in 1998, the award-winning *Barefoot Confidential* is one of the most successful DVD series in the foot fetish genre. This year saw the release of *Barefoot Confidential 80*, starring nubile newbies Dakota Skye and Jasmine Gomez. Young, cutesy and fun – there's a 'no fake tits' guarantee on every cover – Kick Ass pride themselves on getting hold of the sweet-looking American stars of tomorrow. You'll find the usual range of anal, blow jobs, pussy-licking and toys as you would in any non-foot porno, and the scenarios (either solo, boy-girl or lesbian) are in various locations, making sure you don't get that bored bed-and-sofa feeling.

WORST BITS: If you're looking for big boobs or gangbangs, you definitely won't find it here.

DVD FEATURES: Bloopers reel, star bios, trailers.

Rocco's World: Feet Obsession 1-2

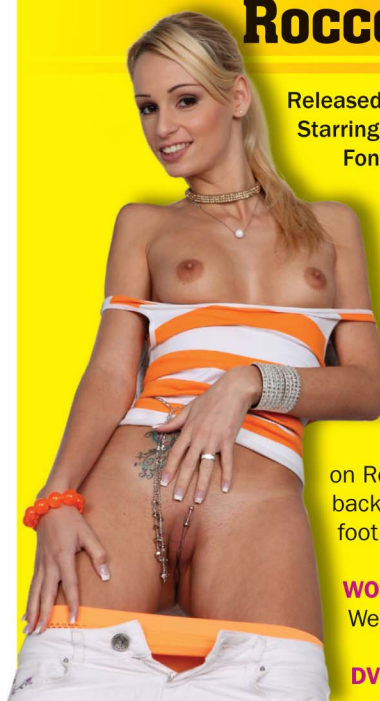

Released by: Evil Angel
Starring: Sophie Lynx, Christina Bella, Avril Sun, Jessie Volt, Valentina Nappi, Erica Fontes, Cayenne Klein, Nataly Von

BEST BITS: We've come to expect a lot from Mr Rocco Siffredi and his *Feet Obsession* series did not let us down. Both movies are made up completely of threesomes (always G/G/B), the locations are varied (outdoors, lakeside, indoors – with never a bed in sight!) and the European girls are strikingly beautiful. The legendary stud lives up to his reputation with every appearance: foot jobs, rimming, furious anal and watersports. A special mention goes to Hungarian hottie Avril Sun (right, red hat), who gags on Rocco's huge man meat before taking him easily up her back passage, before rimming his ringpiece. Nasty stuff, but foot worship at its best!

WORST BITS: A mere four scenes are on offer for each flick. We expected more from Evil Angel.

DVD FEATURES: Cumshot recap, slideshow gallery.

Foot Prints

Released by: Smash Pictures
Starring: Chloe Amour, Kendall Karson, Lea Lexis, Sophia Bella, Vanessa Cage

BEST BITS: Nominated for both the AVN award for Best Fetish Release and the XBiz Fetish Release of the Year award this year, *Foot Prints* consists of five scenes featuring a great mix of fresh talent in Sophia and Chloe, with more established girls like Kendall Karson and Lea Lexis. Unlike a lot of other productions in this genre, *Foot Prints*

is a light affair – plenty of giggles and playfulness, without a moody light in sight. Beautifully shot, each set-up has enough dialogue to get you interested, without trying to be clever or witty, but not so much to bore you. With plenty of teasing, dirty talking, toejobs, blowies – as well as the usual plethora of fucking – and every scene ending in splattered soles, *Foot Prints* is, in our humble opinion, well worth a watch.

WORST BITS: A threeway would have made this movie nigh on perfect. We're not obsessed or anything but where are the threesomes, goddammit?

DVD FEATURES:

11-minute behind-the-scenes feature, all-sex or storyline option.

Jack's Leg Show 1-4

Released by: Digital Playground
Starring: Teagan Presley, Sophia Santi, Lacie Heart, Micah Moore

BEST BITS: The *Jack's Leg Show* series features some huge names in the porn world – Stoya, Shay Jordan – along with some of our biggest exports – Alexis Silver, Hannah Harper – instead of the usual DP contract gals, making for some pretty sexy scenes. The scripts and set-ups are fun, plus, because we see plenty of rimming, anal and even a bit of lezzie screwing along with some mild foot play, even those who aren't foot fetishists themselves will enjoy any of the four movies. And for those who are, most of the fucks end in goeey toes. Just sayin'.

WORST BITS: Although the occasional scene hits the spot, most won't feature enough leg/foot worship for hardcore fans.

DVD FEATURES: Cum-shot recap, star bios.

TRUE CONFESIONS

TRUE CONFI

SEASON TICKETS ARE GOING UP, AND SO IS LUCKY COMMUTER BRADLEY...

long, pale legs seemed to rise endlessly from her knee-high leather fuck-me boots. She was wearing a top so low-cut you could practically see her naval, partially exposing her breasts and a shade of nipple. Her lips were slightly parted to reveal a hint of soft, wet tongue, and her legs were more than slightly parted, although I tried not to think about what was between them as, unlike the businessman, I had no newspaper to hide my excitement.

The rocking motion of the train didn't help, and I was glad when the businessman got off at the next stop so I could stop worrying about my straining manhood being spotted. The girl had been

to her breast, letting it rest curled around her nipple. The girl's obvious need for cock coupled with the riskiness of the situation my helmet throb as if it were going to burst, but still I was reluctant to touch her, just in case it was accidental fumbblings.

All doubts were erased when the girl's fingers suddenly pulled the neckline of her top down to reveal her ample boob, the hard nipple pointing insolently at the ceiling. Eagerly, she trapped it between her middle and index fingers and squeezed, first softly, then harder, arching her back with pleasure and jutting her tits out provocatively. The other hand wandered down to finger the edge of her pants, allowing me an eyeful of her hairless labia.

Pulling aside the cotton gusset to reveal her eager snatch, slick with juices, she jabbed two perfectly manicured fingers

I had the best journey home the other week, so good in fact, that I thought I ought to share it with you. I left the pub just in time and jumped on the last train as it pulled away from the platform, panting after running all the way from the pub. The carriage was practically empty, containing only a businessman in his 50s and a blonde girl who looked about 23.

She was slumped against the window, and the businessman was trying not to stare at her leather miniskirt, which had risen up indecently. I settled into my seat a little drunkenly, on the same row as her, but a couple of seats away.

Mr Respectable must have noticed me noticing him, because he turned back to his broadsheet with a hasty cough. Not that I could blame him, mind you – her

moving and sighing in her sleep, but as soon we were alone, she swung her legs up onto the seats, giving me a full-on view of her thin, white knickers. I noticed that a dark slit ran down the middle of her gusset, where she was obviously getting excited. I couldn't help wondering if she was actually awake and aware of the erotic show she was putting on for me.

I got my answer when she moved a leather-clad calf and rested it lightly on the bulge in my jeans. Shifting her leg ever so gently against my hard prick, she casually moved her hand up

inside, throwing her head back and emitting a low sigh. Roughly now, she scissored her digits repeatedly up and down inside her, her low sighs turning to grunts as, still squeezing her nipple, she began to thrust her crotch up so that the palm of her hand hit her clitoris and her fingers were totally buried inside her.

My cock was straining against my fly, and I figured what was good for the goose, and all that. She noticed my movements, and I decided not to rush it, I wanted to tease this woman so badly that she begged

“SHE GAVE ME A GLIMPSE OF HER HAIRLESS LABIA”

for my dick. I stroked my shaft up and down a couple of times before grabbing it firmly in my fist and pumping away. The girl's fingering became faster, and her hips bucked more frantically, either what I was doing was turning her on, or she was scared I was only going to jerk off and not fuck her like she wanted.

“Please... Fuck me,” she pleaded. That was all the encouragement I needed. With her clothes rucked up for ease of access, she looked like a complete slut. Her breast stuck out jauntily and her labia were

ramming into her again and again up to the hilt, making her hips buck with pleasure. Accelerating my movements, she rose to meet my thrusts, our groins slapping together with an impact that made her head hit the side of the train carriage.

She did not seem to notice, however, her gyrations were fevered, and her breathing ragged with desire. My balls were close

to bursting from the moist writhing of her snatch and I could see that she was close to the edge, too. On the next upward pump, I slid my free hand round to squeeze a tensed buttock. Her eyes flashed with a look of such lust that it communicated exactly what she wanted.

My middle finger found her asshole throbbing in the same enticing manner as

pouting at me wetly, clearly in great need of my cock.

I straddled her and, positioning my hard-on at the entrance of her sopping cave, slammed my hips forward, penetrating her with one swift jab. Her pussy was tight and pulsating in a way that made my heart rate double. Hearing her gasp, I withdrew slowly before

her pussy. She was slippery with her own juices and although her sphincter resisted at first, with a little pushing, my finger eased inside. Her muscles contracted around my digit, and her pussy mimicked that action on my cock.

With a guttural moan, she thrust herself against my digit and dick up onto my dick, and I felt her shudder as her orgasm hit. Both holes throbbed wildly, causing me to shoot my load inside her, filling her with spurt after spurt of my hot jizz.

I looked up. The train was slowing and I saw that it was my stop we were approaching next. With an apologetic glance I withdrew and tucked myself back in, grabbed my coat, and made to leave the carriage. A backwards glance saw her still in the same position, my semen leaking out of her freshly-fucked hole, and I leapt off the train, grinning like the cat that got the cream, so to speak.

Bradley, Telford

“What better to cuddle up with on a cold January night than these two hot water bottles?” teases Ellie, whose bubbly cuppas look a tad more tempting and a lot less sleep-inducing than a mug of Horlicks. “My favourite position is bearing down on you, burying your face in my ginormous G-cups while you pump into my pussy and finger my clit!”

ELLIE

"You don't even need a flesh and blood cock to get your rocks off these days!" affirms mucky Marianne, who's just as happy with her friendly dildo and a spot of video calling on her mobile. "I work nights and never get to see any of my friends. But a couple of lads I know shoot films of themselves blowing their loads every morning. It gets me so horny to think of their cum tribute!"
